

Tent Planning Guide

Professional Tent Rentals

Lake City Rental has extensive experience in the rental and installation of tents for private, corporate, and commercial events. Every tent is professionally machine washed before each rental.

Before You Reserve

- Estimate your guest count and seating style.
- Decide between buffet or plated meal service.
- Plan for a dance floor, DJ, bar, head table, or staging.
- Know the installation surface (grass, gravel, asphalt, concrete, or sand).

Important: The client is responsible for identifying and marking all underground utilities before installation.
